AGM Planning

-thankyou gifts for people who have supported us this year.

Industry - bottle of wine and ResistE charm.

-Tim Robinshaw

-Jack

-Martin

-Walter

Faculty - ResistE statuette

-Rosalowski

-Holzman

-Johnson

-Cheng

-Eberle

-Spiro

Students (workshop hosts) - ResistE pendants (the small from charms)

-Brandon

-Hadi

-Nikolai

Stargazing:

-possibly at quail. Nice and dark. Brandon will look into the possibility.

-idea to restructure MARS to give more people access to the telescope. If more people have access to it, it will be more likely to get used on a good day.

Reduced inertia of stargazing events.

Matlab Workshop:

-thusday 22 6-8PM Dr. Johnson on simulink: Introduction to simulink.

-See if nikolai will run his again next week

Email accounts:

-Members are reminded to forward the new ubcoieee email addresses.
