

Meeting With Chelsea Butchart  
October 6 2011

Members in attendance Andre, Devyn  
Chelsea Butchart.

Campus life can offer

Printing and photocopying.  
Stamping of posters.

Marketing coordinator can actually go around and poster for us.

Email broadcast is not supported due to spam problems.

Clubs day tables are not available through campus life

- they can offer a table at Orientation though (which is arguably a larger event)

Chelsea is confident that our paperwork will not be a problem even though we contravene many of the bylaws. We are well established and that's what they're really there for.

Because we have two groups we may want to include members from sub-groups as booking authority on the official paperwork (two allowed).

Room bookings through the campus life website. Email Chelsea the form (standard type form questions). [chelsea.butchart@ubc.ca](mailto:chelsea.butchart@ubc.ca)  
she wants a listing of our current events too (two to three weeks in advance)

Campus life offers training for club executive (maybe useful for the spinoff clubs.)
